

Camden Leaseholders' Forum

We are chosen from and by those paying service charges to Camden Council. Our next elections will be in 2018. We work with the Council to improve its services for those we represent, and we advise individuals through our website and emails.

Autumn '17 update

Three issues dominate our thoughts this Autumn;

- the deaths in the Grenfell House Tower;
- the allied problems at Chalcot's in Camden over their cladding and its repair;
- the state of the housing market and building costs, and so the future of Camden's capital programme to maintain our homes in accordance with our leases.

They will unfold into the next Council elections on 3rd May 2018. Join our mailing list and website to keep abreast of events.

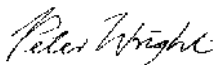

The fallout of Grenfell and Chalcot's and the enquiries into them will be better resident scrutiny than before. I have shamelessly relied on a few volunteers with specialist knowledge of building, law, contracting and estimating prepared to give some of their time and expertise. Their input is appreciated by leaseholders and Camden officers; it has made a difference. Lots of meetings and lots of time are not required; it might suit those recently retired. If you could offer such help, please contact us. The return is that you will know Camden better for the day you need help, as well as satisfaction for the progress you have made.

You must book your slot via leaseholderservices@camden.gov.uk in advance.
