Improving Leaseholder Services in Camden

Below is an invitation from Councillor James Slater (Cabinet Advisor on Improving Services to Camden Leaseholders and Advocating For Leaseholders).

James has been appointed as one of 4 Cabinet Advisors for this calendar year, each taking a deep dive into a specific area of the Council to find out what the issues are. His brief is to look at improving services for Camden leaseholders and advocating for leaseholders. He wants to hear first-hand from leaseholders about what is going well and what needs to improve. This is his invitation:

Dear Leaseholder

I would like to invite you to attend one of the "Listening to Leaseholders" sessions which I will be running throughout Camden this December.

I have been appointed as Cabinet Advisor for Improving Leaseholder Services in Camden this year and, as part of my report, I want to hear from leaseholders across the borough on what is going well, what could change and what needs to improve.

I will be in attendance as well as members of Camden's Leaseholder Services team to answer questions and hear feedback. This will then feed into my Cabinet Advisor report in the spring.

The sessions will be held on:

- Thursday 7 December 2023 - 6:30pm-8pm - Swiss Cottage Library
- Tuesday 12 December 2023 - 6:30pm-8pm - Camden Town Hall
- Thursday 14 December 2023 - 6:30pm-8pm - The Greenwood Centre

You must RSVP to the sessions in advance by emailing me at james.slater@camden.gov.uk - please include both your home address and which session you wish to attend. Places will be issued on a first-come, first-served basis.

I really look forward to hearing from you at one of these sessions.

All the best,
James

Will you join us as a member for Hampstead?

The Forum has a membership vacancy in Hampstead district. If you are a Camden Council leaseholder in Hampstead, we invite you to let us know that you wish to join the Camden Leaseholders Forum as a Representative for your district.

We have 4 formal meetings in the year and interim online meetings to progress business. As a Representative, you should expect to take part in a working group (some meetings - in person or online - and exchange of emails). These groups actively engage Camden officers and Councillors on issues that are important to leaseholders generally.

Is your property in **Hampstead** district? Your postcode will reveal your district (District Management Committee) if you [use this link and search for Ward](#).

If you wish to join us and get involved, or just want more information, please email us at Camden@leaseholdersforum.org.uk .
